Use the following rubric when identifying needs and strengths:

High Need = I really struggle with this. It is a challenge for me and could lead to being kicked out, failing, getting fired, putting myself in a physically dangerous situation.

Somewhat Need = I struggle with this sometimes, but not enough to be kicked out, fail, get fired, or put myself in a physically dangerous situation.

Somewhat Strength = I am kind of good at this and can do this about the same as my friends and school mates. At times I still need guidance and direction.

High Strength = I am really good at this and don't need any additional guidance or direction from adults.
