

# Designing Classroom Routines

Here are a few common routines. Take a few minutes to complete the rest of this chart. Discuss your responses with your left shoulder partner. “Building Effective Classroom Management”, Horner, Sugai, & Dickey

Routine	Desired Behavior	Signal	Teach Routine
Entering Class	Walk in, sit down, start work	Instruction on board	Positive and Negative Examples
Obtaining Class Attention	Listen to teacher, be quiet		
Getting Help during seat work			

# Classroom Routines Matrix

What are 3 routines you utilize in your classroom?

Complete the matrix for your classroom. What is the process you might use with your students to define and share effective examples?

*“Building Effective Classroom Management”, Horner, Sugai, & Dickey*

Routines	What do you expect?	What is the signal?	How will you teach it?
